

manufacture of Zinc sulphate which are partly imported. Of late shortage of this raw material has been felt due to this item having been kept under restricted list. This Ministry has taken up the issue with the Ministry of Environment and Forest to restore its inclusion under OGL to facilitate adequate import of the raw material.

Krishi Vigyan Kendras

548. SHRI SHANTILAL PARSOTAMDAS PATEL :
SHRI DINSHA PATEL :

Will the Minister of AGRICULTURE be pleased to state :

(a) the names of Krishi Vigyan Kendras which are fully functional;

(b) whether majority of the Krishi Vigyan Kendra are not fully functional even several years after their establishment;

(c) if so, the reasons therefor; and

(d) the step taken by the Government to make them functional ?

THE MINISTER OF AGRICULTURE (EXCLUDING THE DEPARTMENT OF ANIMAL HUSBANDRY AND DAIRYING) (SHRI CHATURANAN MISHRA) : (a) and (b) There are 261 Krishi Vigyan Kendras (KVKs) out of which 183 were established before the 8th Plan. Seventy eight KVKs have been approved during 8 Plan, which are in various stages of establishment.

A total of 121 KVKs out of 183 (66%) are fully functional having Scientific/Technical Staff, Administrative Building Trainees hostel, Demonstration Units, Instructional Farm and necessary equipments as per the statement enclosed. The remaining 62 are in the process of being equipped.

(c) Huge financial implications, escalation of cost of civil works and constraints of funds are the main reasons.

(d) A comprehensive proposal has been submitted to the Planning Commission for augmenting additional financial resources for strengthening infrastructural facilities for the existig KVKs.

Plastic Waste

549. DR. ASIM BALA :
SHRI BHAKTA CHARAN DAS :

Will the Minister of ENVIRONMENT AND FORESTS be pleased to state :

(a) whether the Government are aware of the harmful effects on the environment due to dumping of the plastic waste;

(b) if so, the details thereof;

(c) whether any guidelines have been issued by the Government to tighten the norms governing the import of plastic waste;

(d) if so, the details thereof; and

(e) whether the steps proposed to be taken to ban the plastic and other such materials and encourage use of environment friendly materials like Jute ?

THE MINISTER OF STATE OF THE MINISTRY OF ENVIRONMENT AND FORESTS (PROF. SAIFUDDIN SOZ) : (a) and (b) Plastic waste collected in cities is normally dumped till such time it is finally traded for materials recycling. Such plastic waste dumps have no harmful effects on the environment.

(c) and (d) The Ministry of Commerce, Director General of Foreign Trade has issued guidelines for import of plastic waste. According to the guidelines, import of plastic wastes/scrap (except PET bottle waste/scrap) shall be permitted only against a licence. The description/

definition of the plastic waste/scrap for this purpose would be :

- (i) Plastic scrap/waste constitute those fractions of plastics generated by various plastic processing operations or those fractions generated in the production process of plastics in a plant which have not been put to any use whatsoever and as such can be termed as virgin or new material which can be recycled into viable commercial products using standard plastic processing techniques but without involving any process of cleaning, whereby effluents are generated.
- (ii) Such virgin/new plastic scrap/waste shall be permitted for import in the following forms i.e. compressed, films in cut condition, cut tape soft waste, flakes, powers and pieces of irregular shape.
- (iii) Any other category of plastic scrap/wastes which are not covered by the description/definition as given in paragraphs (i) and (ii) above shall not ordinarily be permitted.
- (iv) The plastic scrap/wastes conforming to the description indicated paragraphs (i) and (ii) above would be permitted only to the actual users who have the required facility for recycling such scrap/waste and who are duly registered with the competent/ State/ Central authority and also possess clear pollution clearance certificate from the concerned State Pollution Control Board where the unit is located, as well as a capacity assessment certificate.
- (v) Before the clearance of the plastic waste/scrap, all imported consignments of such plastic scrap/waste shall be subjected to scrutiny and testing of samples. Customs authorities shall for this purpose draw a sample and send the same to the nearest laboratory/office of the Central Institute of Plastic Engineering & Technology (CIPET) with a view to having the same analysed and verified that such imported consignments are in conformity with the description/definition as given in paragraphs (i) and (ii) above.
- (vi) Import licences issued in accordance with this Public Notice shall be subject to actual User condition and any other such condition as may be imposed by the Special Licensing Committee.
